## LEDC SPONSORSHIP

Dear Partner,

The LEDC is a non-profit corporation whose goal is to generate economic activity and encourage investment in Lansdowne. We do this through a variety of events and services for current and potential businesses, as well as residents and visitors.

We have several levels of sponsorship available. It is by partnering with our sponsors that we are able to work on business development activities and provide free events such as weekly farmers markets, annual festivals, art shows and more.

Don't miss this terrific marketing opportunity!

Live. Love. Lansdowne.
