\$126,958.02 (36.22%) **Programing** Staff & **Contractors \$95,954 (27.37%)** Occupancy

### to Fuel Our Mission The Lansdowne Economic Development Corporation (LEDC) is committed to fostering a sustainable and

thriving economy in the Borough of Lansdowne through strategic community and economic development initiatives, including:

### **Engaging the Public Through Art**

Facilitating public exhibitions, workshops, talks, and cultural programming that connect neighbors and enrich the local culture.

#### **Supporting and Empowering Creatives** and Artists

Offering paid opportunities for artists, professional development opportunities, fellowships, and collaborative projects with the community.

### **Community**

**Growing a Healthy** 

Operating a farmers market to provide healthy food options and create a space for community gathering and connection. Supporting local entrepreneurs and businesses to help our Borough economically thrive.
